CHARACTER OF CASE

EXTORTION

UNKNOWN SUBJECTS;
JACKIE ROBINSON, VICTIM

SYNOPSIS OF FACTS

Letters addressed to the "Cincinnati Enquirer," Cincinnati Police Station, and the "Cincinnati Reds," Cincinnati's baseball club, all apparently written on same type stationery with block-type printing, containing threats to shoot and kill JACKIE ROBINSON, New York Brooklyn Dodgers baseball player, Victim and Manager of Brooklyn Dodgers ball club advised of letters prior to games played at Cincinnati, Ohio, 5-20-51. Games played without incident. Laboratory examination made of one letter, with negative results. No suspects developed.

- 2 -

DETAILS:

The above-captioned matter originally came to the attention of this office when Post Office Inspector FARRELL of the United States Post Office Department of Cincinnati, Ohio, referred a letter to the Cincinnati Division which had been received by the "Cincinnati Enquirer." This letter was forwarded by the "Cincinnati Enquirer," a local newspaper, to the Cincinnati Police Department, with a note, advising that the letter seemed to be an obvious "crank" note, but the newspaper felt that it should be passed on to the police in order that the paper would be protected in the event harm did come to JACKIE ROBINSON.

The envelope containing the letter was pink in color. It was addressed to the "Cincinnati Enquirer," Cincinnati, Ohio, and was postmarked Cincinnati, Ohio, May 14, 1951, 11:00 A.M. The letter was undated. It was prepared in block-type printing. A scale was apparently used to prepare straight sides for many of the individual printed letters.

This letter is quoted as follows:

"We are to kill Brooklyn's Jackie Robinson from
near by window with rifle.

The --- Travelers."

The above described letter was forwarded to the Laboratory
for examination, and this office has received a report advising that
examination has been made of the envelope and letter without effecting
an identification of the unknown subject.

b7D
[REDACTED]
"We are going to shoot and kill negro Jackie
Robinson at Crosley Field.

The --- Travelers."

[REDACTED] advised that he had also received a report
that a similar letter was received by the "Cincinnati Reds," Cincinnati's
local baseball club. He said he had not seen the communication itself.
The letter he received, which has been turned over to this office, is
obviously prepared in the same type printing as the letter which has been
forwarded to the Bureau. Actual observation of the letter received by
the "Cincinnati Reds" has not been made by this Agent.

b7D
[REDACTED] advised that the terrain at Crosley Field,
Cincinnati's Ball Park, would not afford a person an opportunity to shoot
one of the ball players. Even from the roof of one of the neighboring
buildings, sufficient altitude could not be obtained to permit a person
to shoot over the grandstands to the playing field. He said that he was
not alarmed over the matter.

[REDACTED] a detail of several officers to the field on May 20,
1951, when the Brooklyn Dodgers were scheduled to play a double-header
against Cincinnati. He also alerted [REDACTED]

b7C

In compliance with Bureau instructions, SA's [redacted] and [redacted] contacted Mr. CHARLES DRESSEN, Manager of the Brooklyn Dodgers Club, and JACKIE ROBINSON, upon their arrival in Cincinnati, Ohio, on May 20, 1951, and informed them of the threats which had been received.

The double-header baseball games were played at Crosley Field on the afternoon of that same date, and JACKIE ROBINSON participated in both games. It is noted, however, that no incident occurred during these ball games.

Mr. CHARLES DRESSEN later furnished this office with a telegram received by him on May 20th, stating:

"WE SAY GET BEHIND THE GABBLERS AND TAKE THE WEIGHT OFF JACKIE'S LIFE."

CHARLETT'S CLUBS AND THE SAINT LOUIS
COLONET BOYS OF THE NORTH SIDE."

b7D This wire was sent from Paducah, Kentucky.

b7C [redacted] also later furnished this office a letter received by him dated May 24, 1951, at Sheridan, Wyoming. This letter was written by [redacted] United States Veterans Hospital #56, Sheridan, Wyoming, and suggested numerous suspects based upon information [redacted] had received while in Cincinnati during 1944. It appears quite obvious from this letter that this individual is probably a mental patient at the Veterans Hospital.

Prior to departing from Cincinnati, Ohio, Mr. DRESSEN advised that he would notify this office if additional threatening letters came to his attention. To date no further threatening communications have been reported to the Cincinnati Division. Also to date no information indicating or suggesting a suspect has been received.

In view of the nature of this matter, and in the absence of logical leads to investigate, this case is being closed on the authority of the Special Agent in Charge.

Page 479
to 483:

Sworn testimony of one JACK ROOSEVELT ROBINSON, 7/18/49,-- he stated he was born in Cairo, Ga., in 1919. He stated he had received a great many messages urging him not to appear before the Committee and that not all of them come from communist sympathizers. He stated, "As I see it there has been a terrific lot of misunderstanding on this subject of communism among the Negroes in this country, and it's bound to hurt my people's cause unless it is cleared up.-----" "And one other thing the American people ought to understand, if we are to make progress in this matter: The fact that it is a communist who denounces injustice

100-428850-1
~~CONFIDENTIAL~~

in the courts, police brutality, and lynching when it happens doesn't change the truth of his charges. Just because communists kick up a big fuss over racial discrimination when it suits their purposes, a lot of people try to pretend that the whole issue is a creation of communist imagination.

~~CONFIDENTIAL~~

"But they are not fooling anyone with this kind of pretense, and talk about 'communists stirring up Negroes to protest,' only makes present misunderstanding worse than ever. Negroes were stirred up long before there was a Communist Party, and they'll stay stirred up long after the Party has disappeared-- unless JIM CROW has disappeared by then as well.

"I've been asked to express my views on PAUL ROBESON's statement in Paris to the effect that American Negroes would refuse to fight in any war against Russia because we love Russia so much. I haven't any comment to make on that statement except that if Mr. ROBESON actually made it, it sounds very silly to me. But he has a right to his personal views, and if he wants to sound silly when he expresses them in public, that is his business and not mine. He's still a famous ex-athlete and a great singer and actor.

"I understand that there are some few Negroes who are members of the Communist Party, and in the event of war with Russia they'd probably act just as any other communist would. So would members of other minority and majority groups. There are some colored pacifists, and they'd act

100-428850-1

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

just like pacifists of any color. And most Negroes--and Italians and Irish and Jews and Swedes and Slavs and other Americans--would act just as all these groups did in the last war. They'd do their best to keep their country out of war; if successful, they'd do their best to help their country win the war--against Russia or any other enemy that threatened us. This isn't said as any defense of the Negro's loyalty, because any loyalty that needs defense can't amount to much in the long run. And no one has ever questioned my race's loyalty except a few people who don't amount to very much.

"What I'm trying to get across is that the American public is off on the wrong foot when it begins to think of radicalism in terms of any special minority group. It is thinking of this sort that gets people scared because one Negro, speaking to a communist group in Paris, threatens an organized boycott by 15,000,000 members of his race.

"I can't speak for any 15,000,000 people any more than any other one person can, but I know that I've got too much invested for my wife and child and myself in the future of this country, and I and other Americans of many races and faiths have too much invested in our country's welfare, for any of us to throw it away because of a siren song sung in bass. I am a religious man. Therefore I cherish America where I am free to worship as I please, a privilege which some countries do not give. And I suspect that 999 out of almost any thousand colored Americans you meet will tell you the same thing.

~~CONFIDENTIAL~~

"But that doesn't mean that we're going to stop fighting race discrimination in this country until we've got it licked. It means that we're going to fight it all the harder because our stake in the future is so big. We can win our fight without the communists and we don't want their help."

He stated he attended U.C.L.A., and that he took his grade and high school work at Pasadena.

He was asked if, in his school life, he ever noted any attitude on the part of members of his race that would give any support to the alleged statement of Mr. ROBESON.

He replied that he had never run across it any time.

He was asked if he had ever been approached to join any of the subversive organizations.

He replied that he was never approached but, when he was a kid, "we" were interested in the way "they" acted to get "us" to join. Young ladies were sent out to see if he and others would join their organization (CP in Pasadena). He said he and the others had enough sense to know what "they" were after, and none of the fellows in his group had any desire to join an organization like that.
